The Class of 1941

Four years ago a group of green freshmen wandered into Rock Springs High School. This class, consisting of 210 members, started its sojourn with Francis Connor as president; Donald Chipp, vice-president; Patricia Livingston, secretary; and Zora Kruljac, treasurer. Bette Yugovich and Floyd Bassani achieved distinction by receiving the freshman Gros Ventre pins. This class was proud to have in its midst such an outstanding athlete as Tony Katana, who was the first high school student in the state of Wyoming to be named to an all-state team during his freshman year.

Somewhat less foolish, but scarcely any wiser, we came back as sophomores. To help us follow the right trail, we elected the following officers: Francis Connor, Alice Simon, Donald Chipp, and Gareth Boyce. Balloons and more balloons were used to decorate the gym for the party we gave as our contribution to the social life of our school.

We returned from vacation as juniors, eager to do a better job than ever. We traveled this year under the leadership of John Dickson, Blanche Dolence, Alice Simon, and Wilma Hegedus. The highlight of our activities was the Junior Prom, at which Zora Kruljac reigned as queen. For this occasion the gymnasium was gaily decorated with colorful butterflies. Continuing on the road to success, we received the citizenship cup during both semesters.

In the fourth year we finally reached the goal toward which we had traveled. Coming down the home stretch, Francis Connor, Oreste Berta, Blanche Dolence, and Wilma Hegedus were chosen to keep the wheels rolling. Our first important event was Homecoming. Francis Connor and Helen Griffiths proudly reigned as king and queen. During the holiday season we entertained the alumni at the traditional Senior-Alumni Dance. Finally we came to Senior Week, with its attractions of Class Day and the Senior Picnic. Of the original class, one hundred twenty-one have traveled with us to the climax of our journey—Commencement Day.

FOOTBALL

After spending two weeks of strenuous practice at our New Fork football camp, the Rock Springs Tigers came home full of confidence and spirit, looking forward to a successful season, which was fully realized.

They played ten games, winning ten, while piling up a score of 263 to their opponents 13. Finishing the season as the only undefeated and untied team in the state, the Tigers won the district championship and also laid claim to the mythical state title.

The squad was comparatively small but contained some of the best material that has ever represented Rock Springs High. One of the main reasons why Coaches Dowler and Bash turned out one of the most powerful teams the state has ever seen was due to the keen competition for every position. Katana, Connor, Dasovich, and Chipp were named on the all-state team.

MORTEN JOSLIN

Mort, filling his tackle position very well at all times, was strong on both the offense and defense.

JOE SIMS

Joe handled the fullback assignment like a veteran. He kicked, ran, passed the ball, and called the signals.

EDWARD JEREB

Playing most of the year with a shoulder injury, Ed showed that he had what it takes to be a good football player.

FRANCIS CONNOR

Francis, our all-state guard, was the mainstay of the Tiger line. He was a hard tackler and a very good blocker.

TONY KATANA

No other player in the state deserved more to be placed on the all-state team than Tony. Being a triple threat back, he scored most of the Tiger points.

ALFRED SIMS

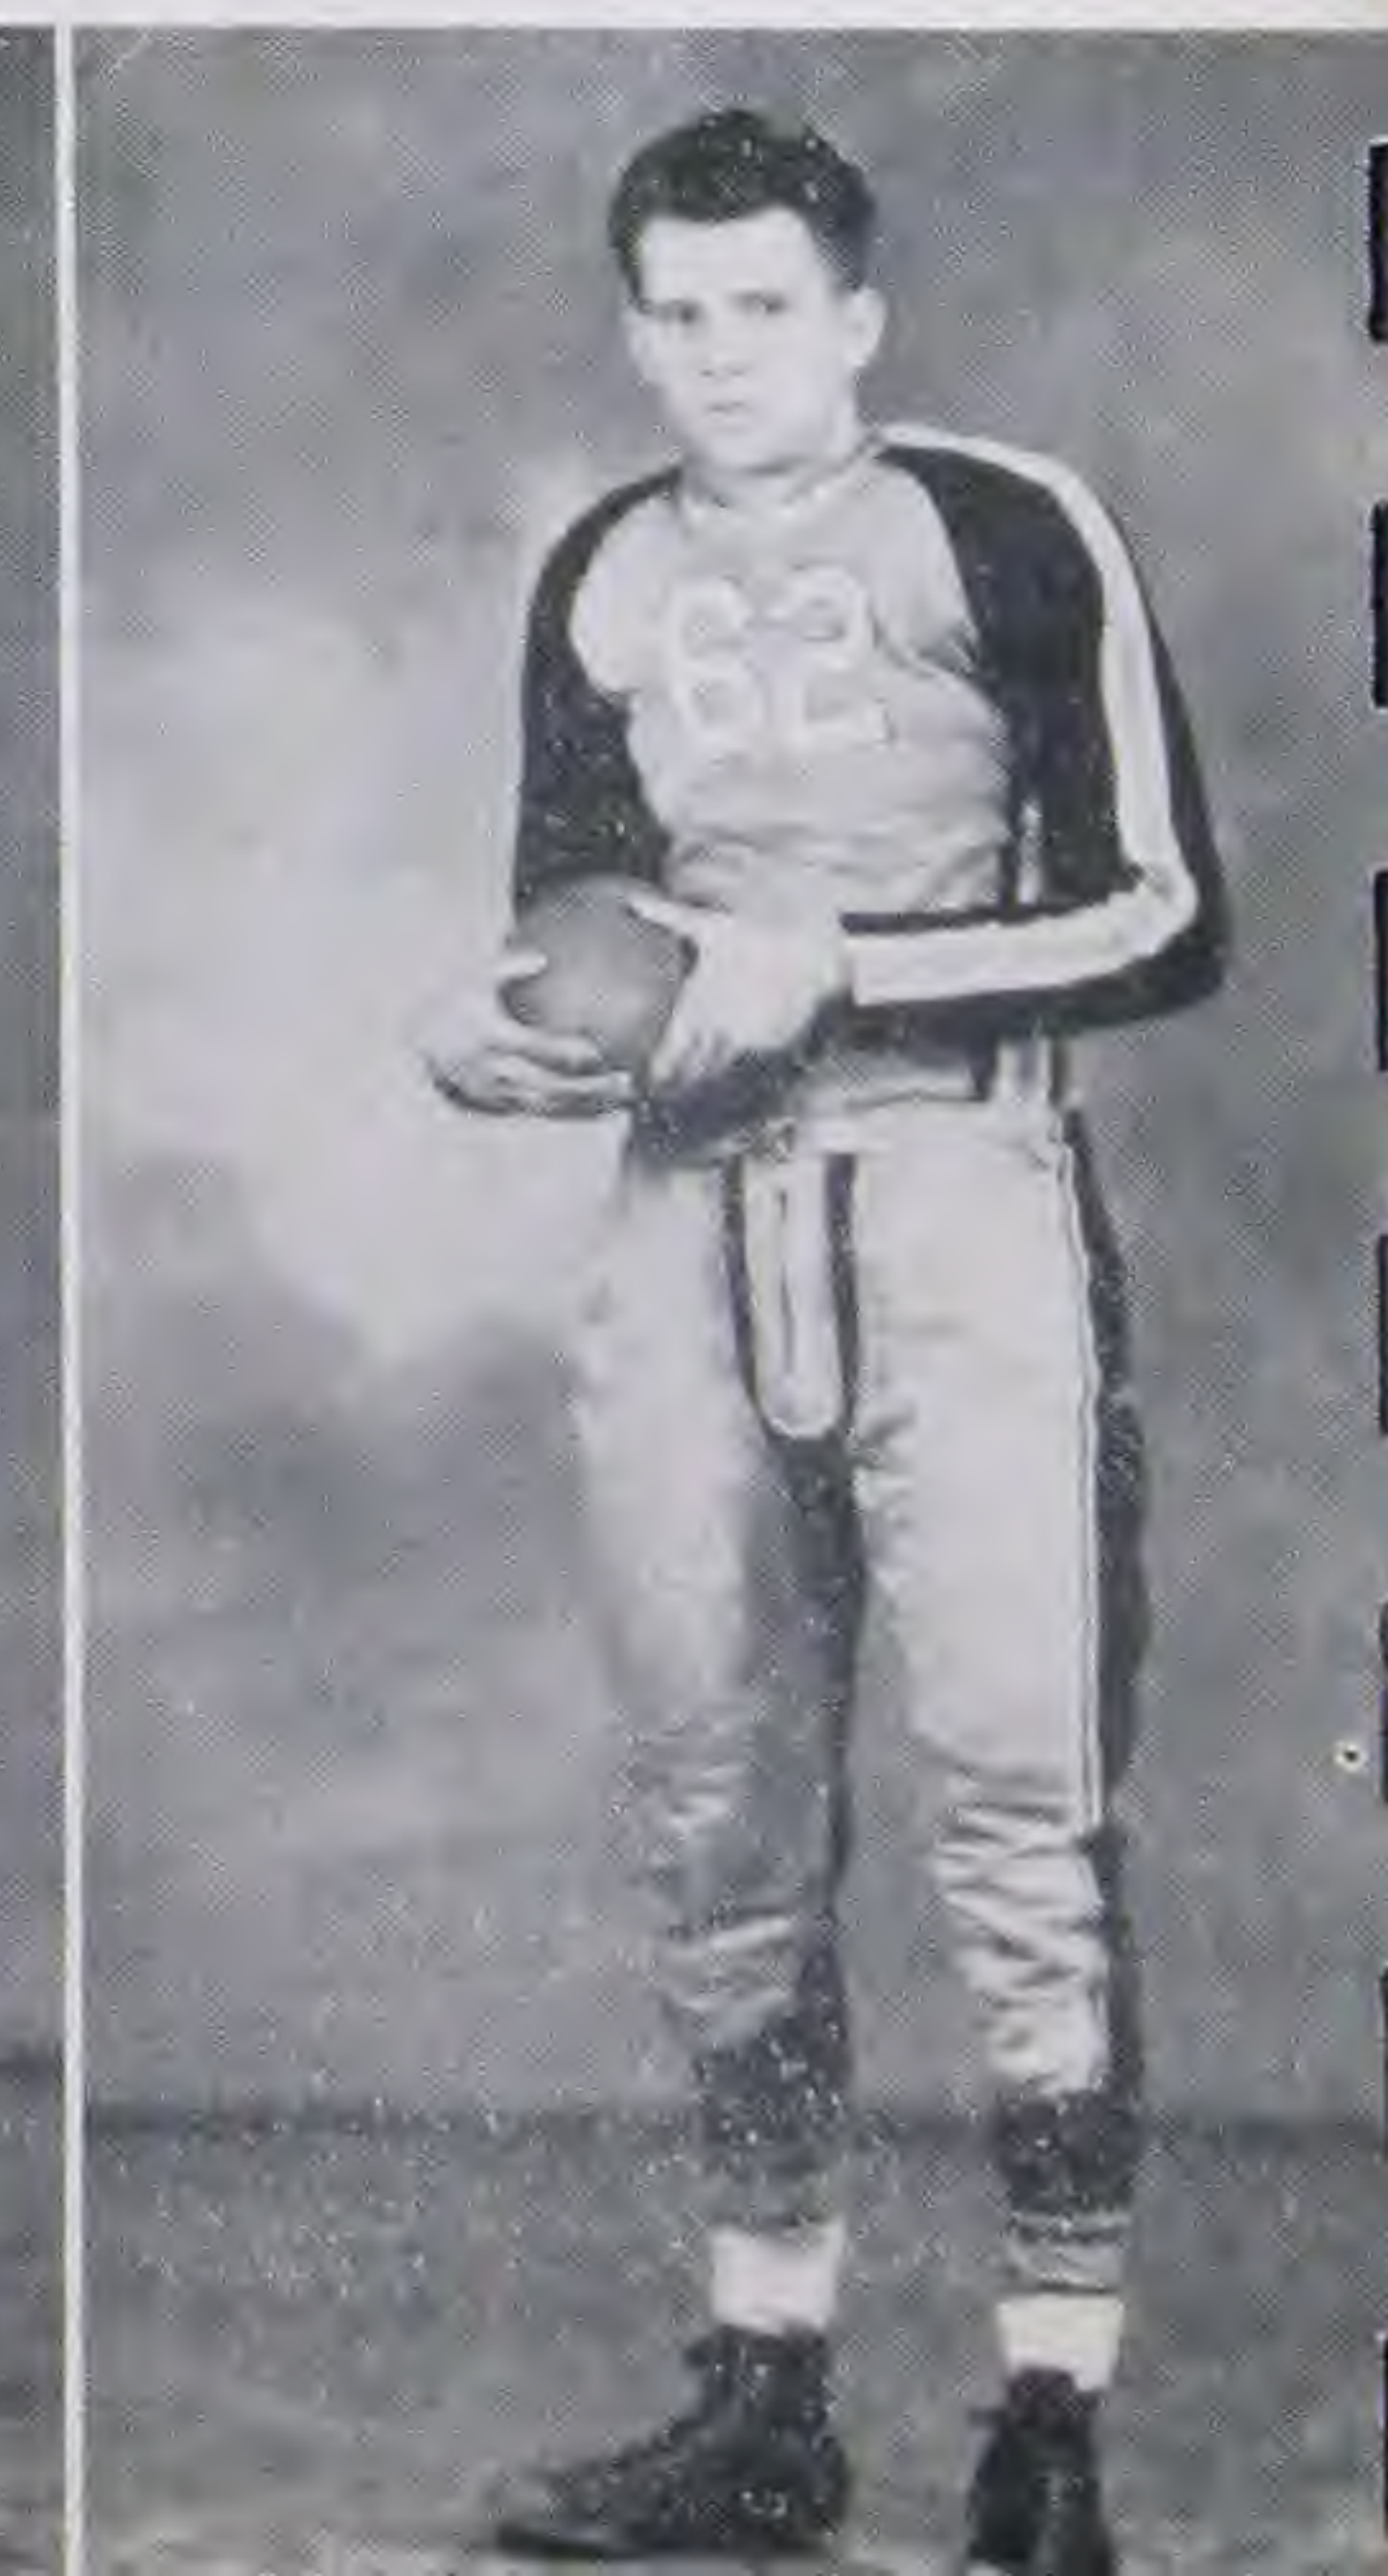

Alf, our all-around star half-back, is a born football player. The rougher the opponents were, the better he liked it.

JOHN DASOVICH

Johnnie, chosen on the all-state team, not only starred as an offensive end but showed up brilliantly on defense.

TONY BEGOVICH

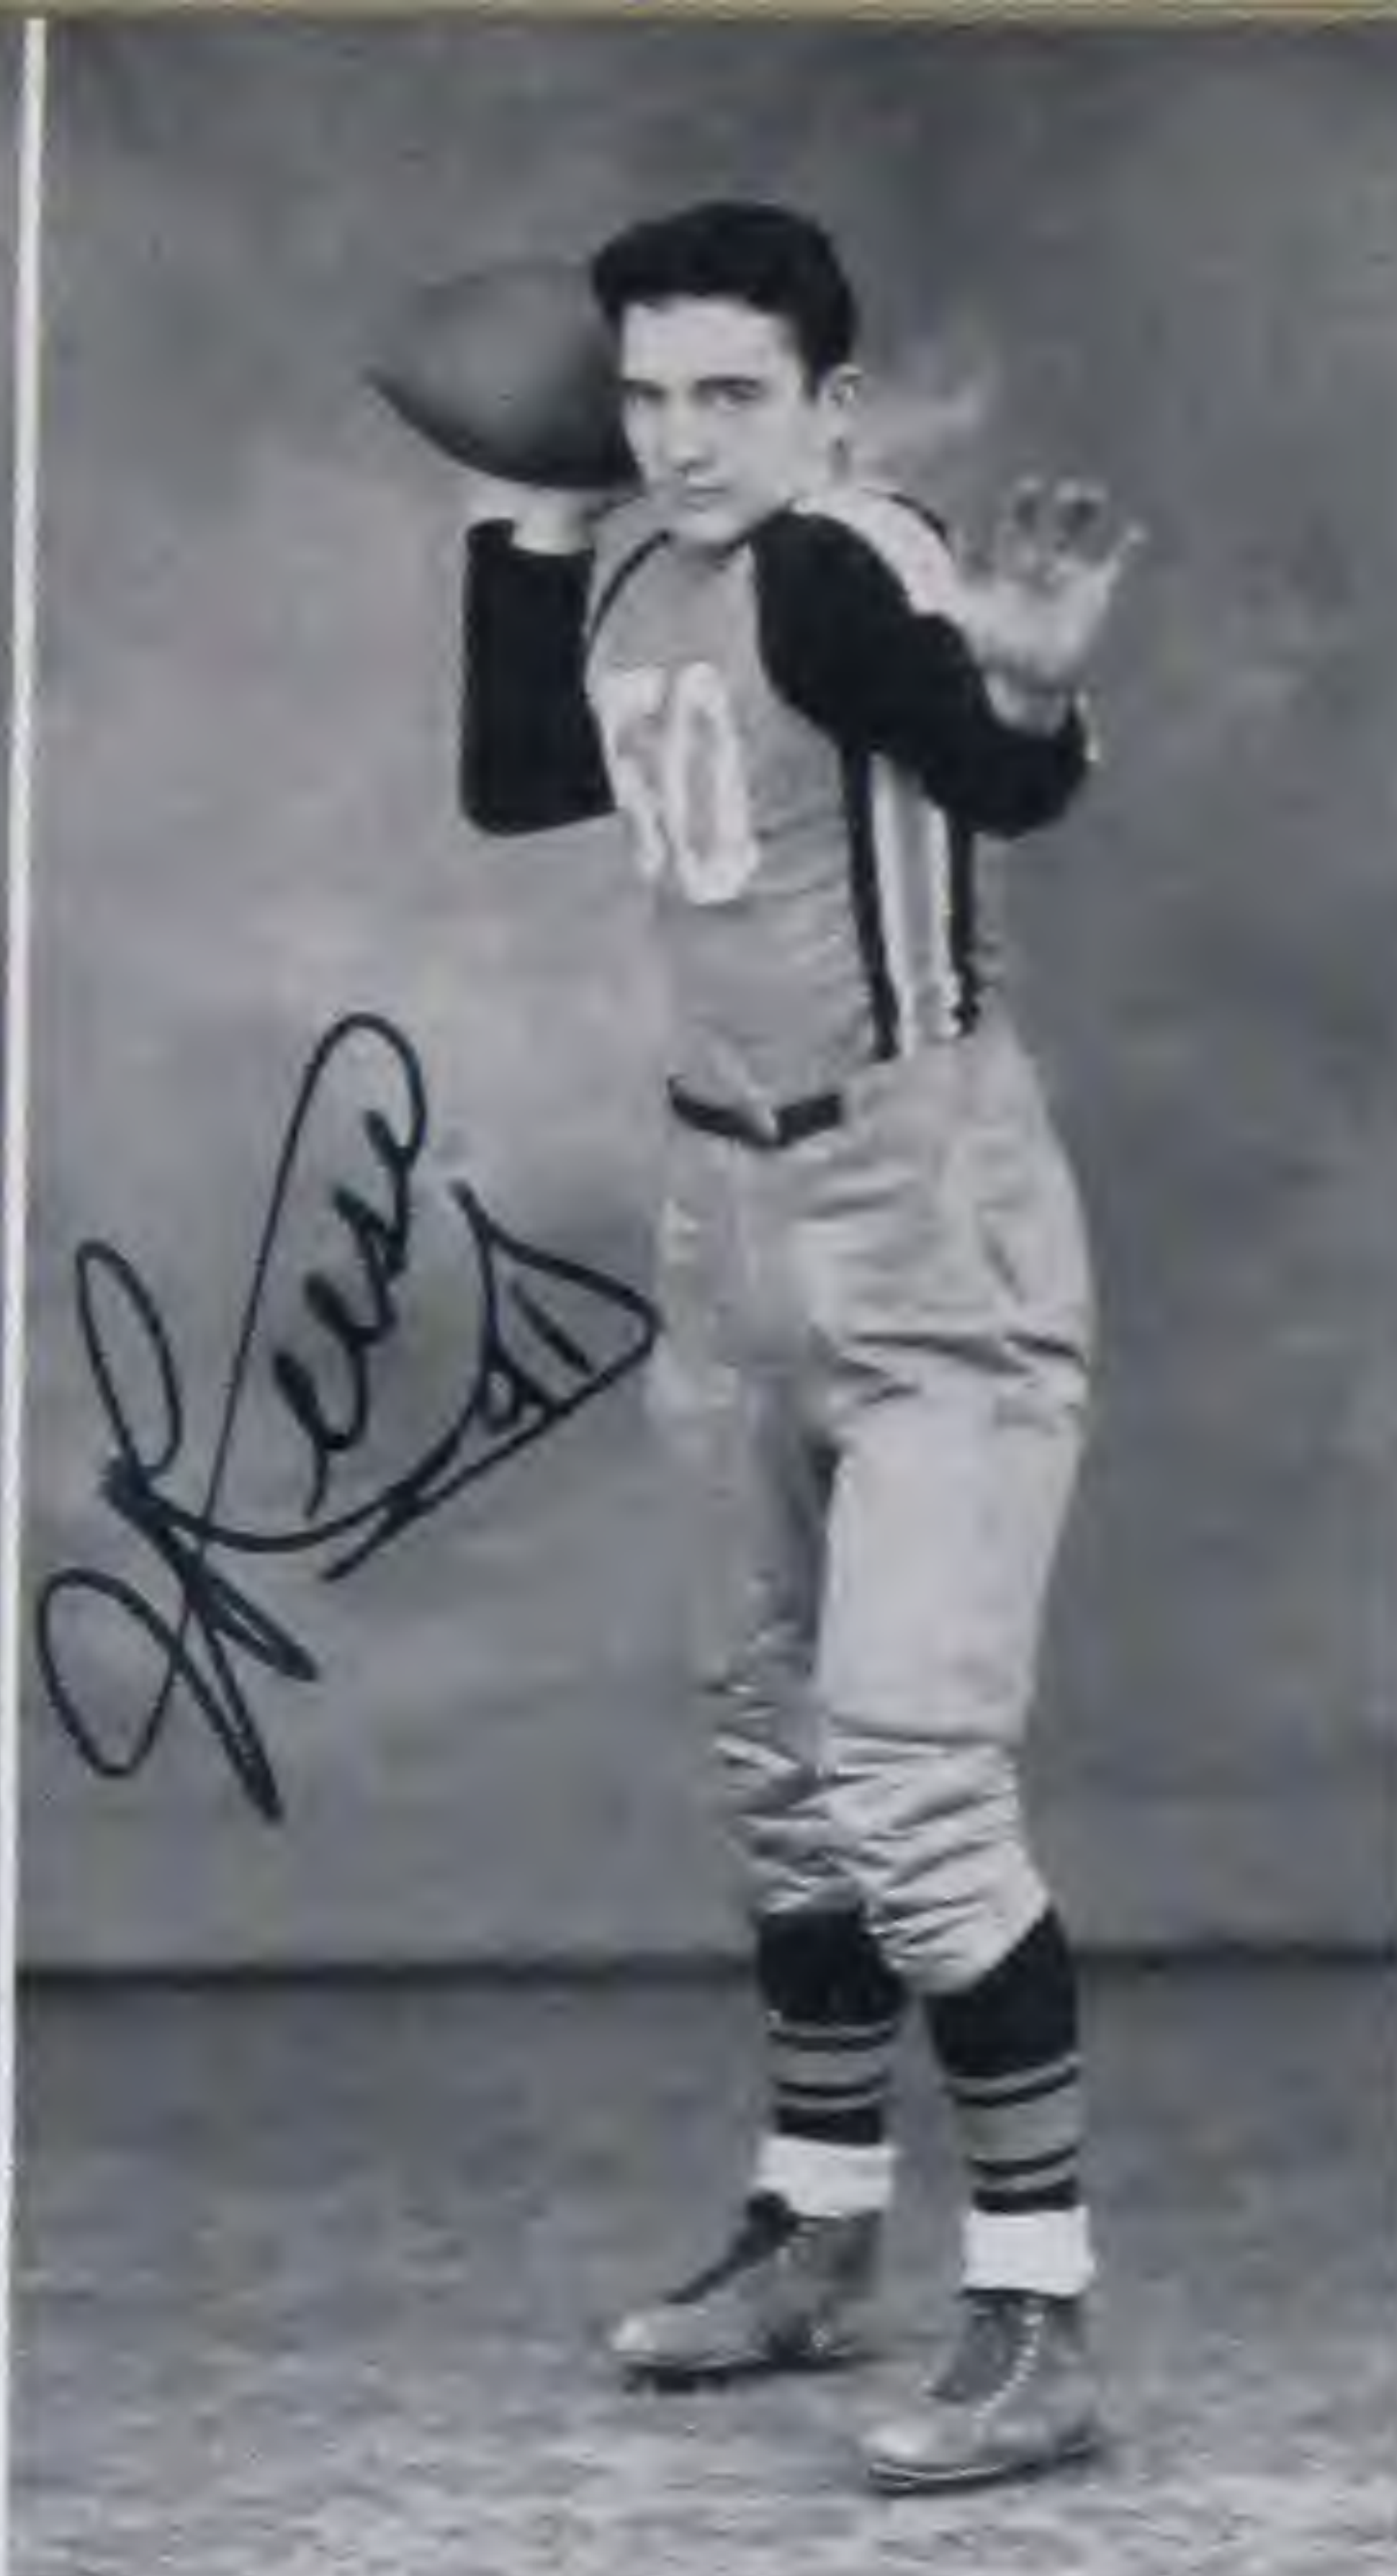

Tony deserves much credit for his work at the end position. He was a good pass receiver and a dependable blocker.

LENO KAUMO

Many times Leno pulled the team out of a tight spot, especially when he made the only touchdown in the Green River game.

JIM REESE

What Jim lacked in size and weight, he made up for in his ability to play smart football. The coach will have a hard time trying to fill his position.

BOB TAYLOR

Bob's opponents found him a stonewall in the secondary. His stellar blocking cleared the way for many of our touchdowns.

SILVIO ZANCANELLA

Zanc was the smallest player on the team but also was one of the toughest. He could tackle and block with the best.

EDWARD THOMPSON

Ed turned in some sterling performances this year. Because he was so speedy, he gained many yards for the Tigers.

DON CHIPP

Not once in his four years of high school football did Don make a poor pass from center. He well merits his selection on the all-state team.

JAMES GATTI

Jim showed very good style in his play at the end position as he rushed in to upset the opposing ball-carriers and blockers.

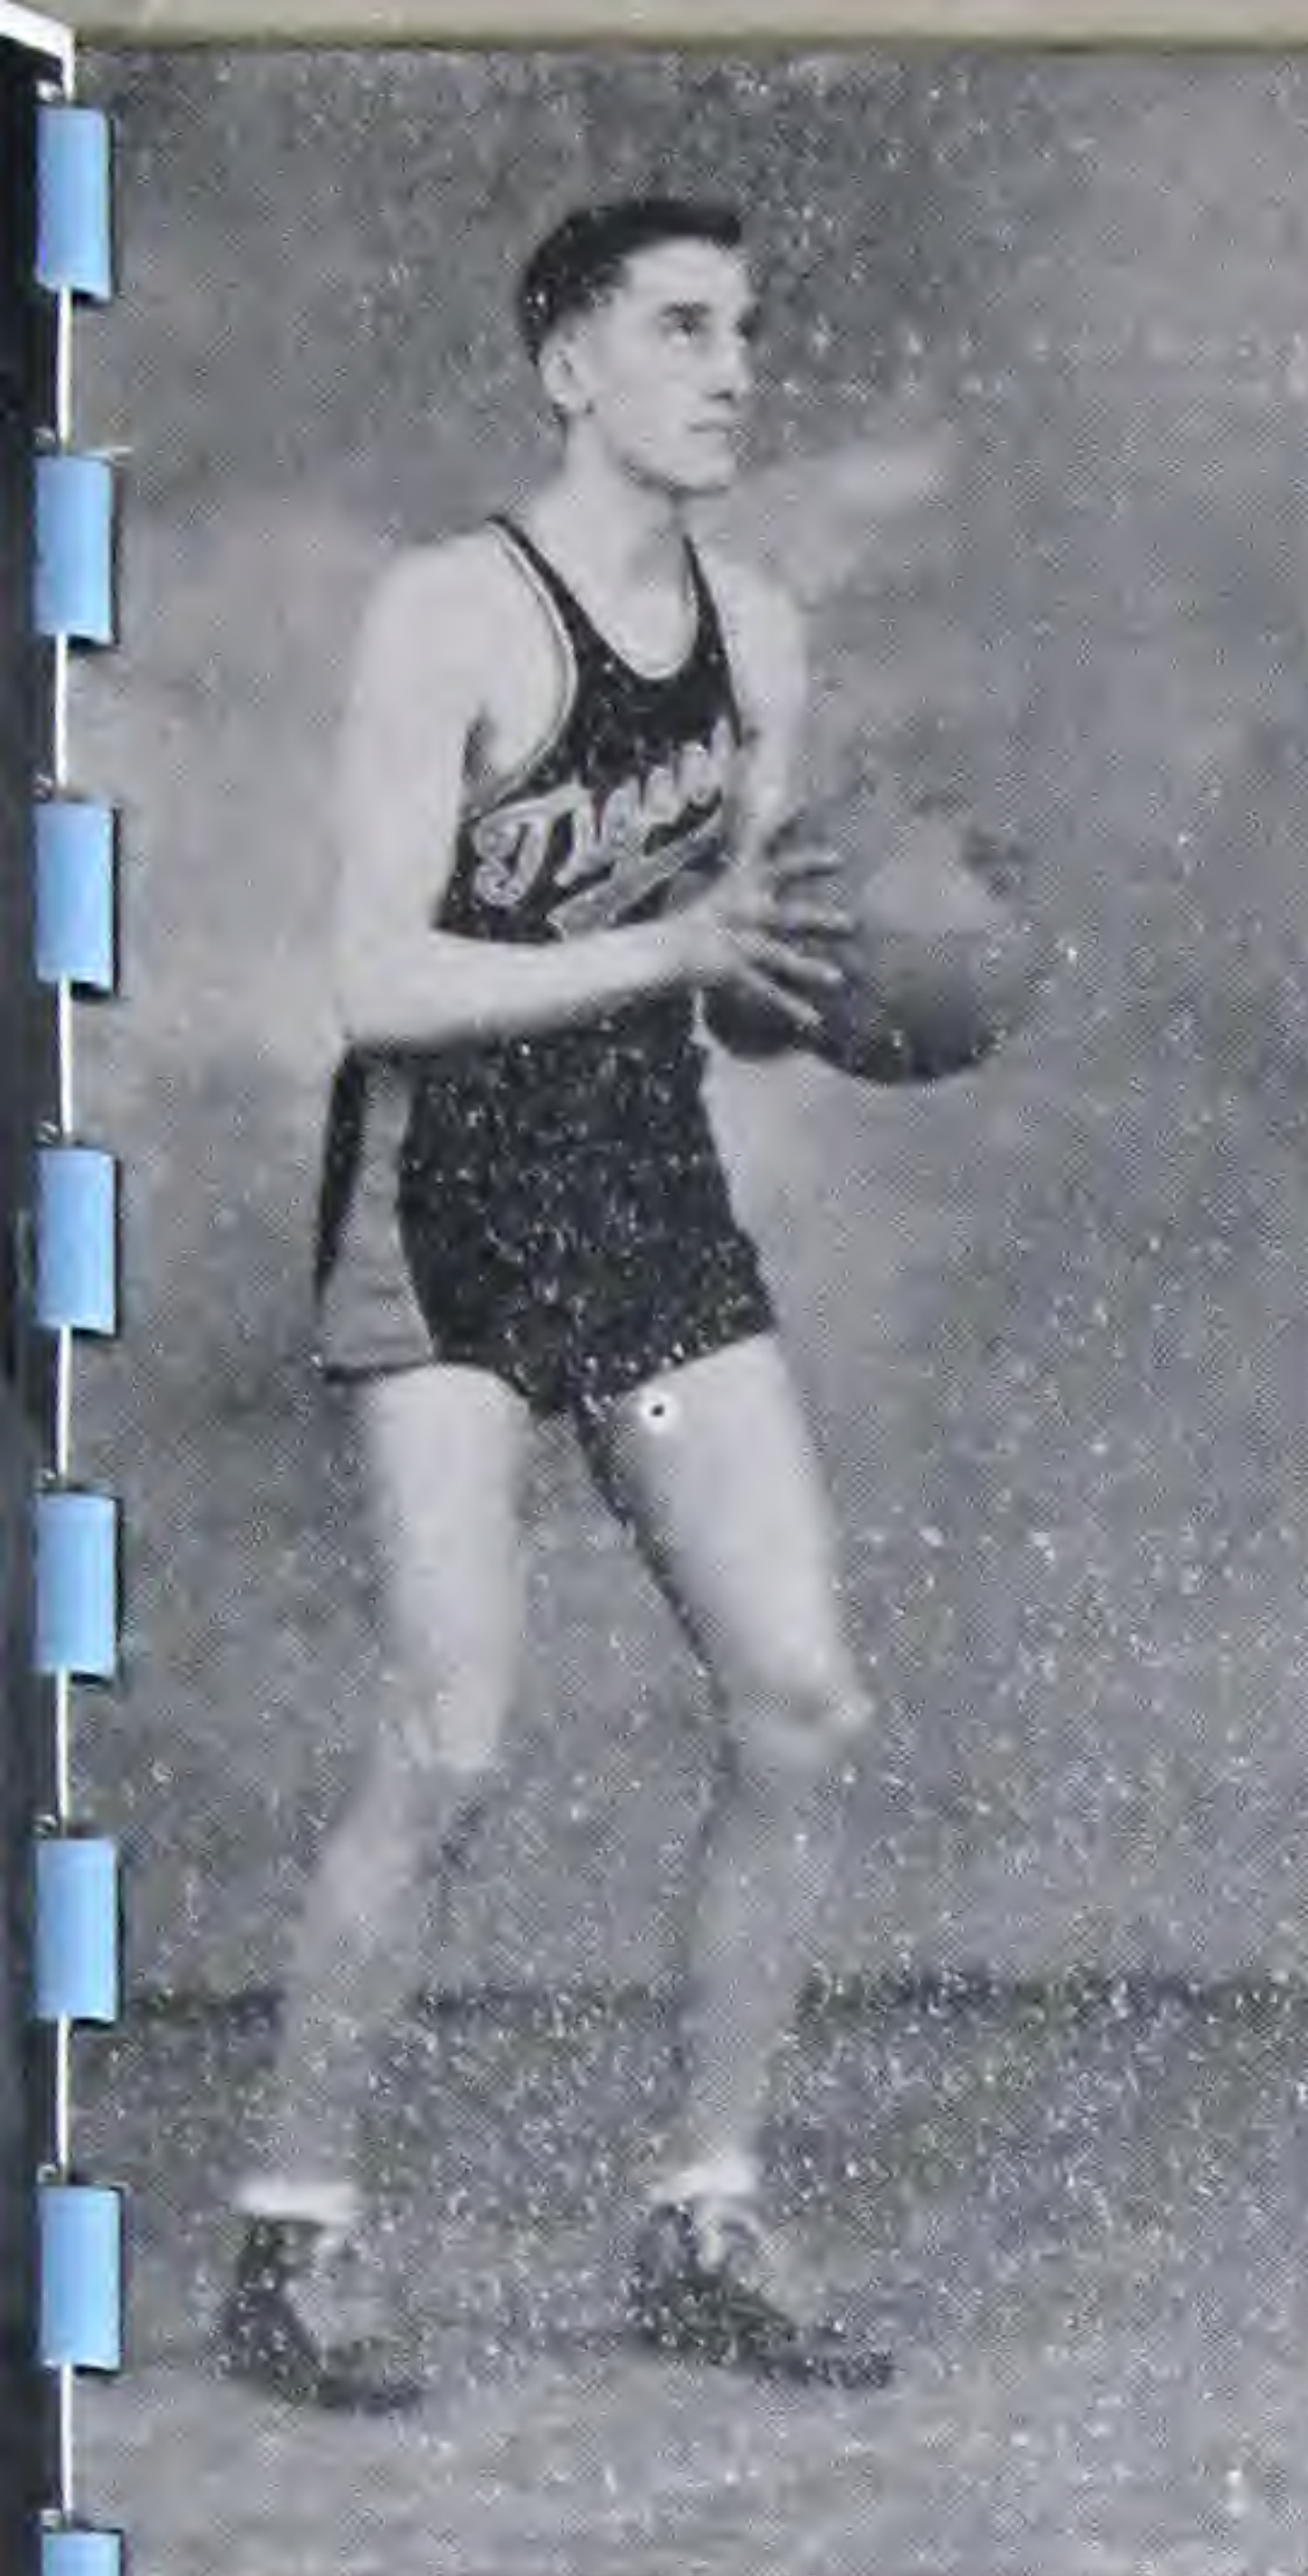

Front row: Murich, Shiamanna, and Jones, student managers.
 Second row: Reese, Dickson, Katana, Taucher, Dasovich, Thompson.
 Third row: Asst. Coach Bash, Sprowell, Venta, Wildermuth, Gilpin, Begovich, Kaumo, Coach Dowler.
 Fourth row: Amazich, Mitchell, Buchan, Marshall, Skorup, Peterson, McMillan.

BASKETBALL

The Rock Springs basketball team began the season with exceedingly bright prospects, since Coach Dowler had five lettermen around which to build his team.

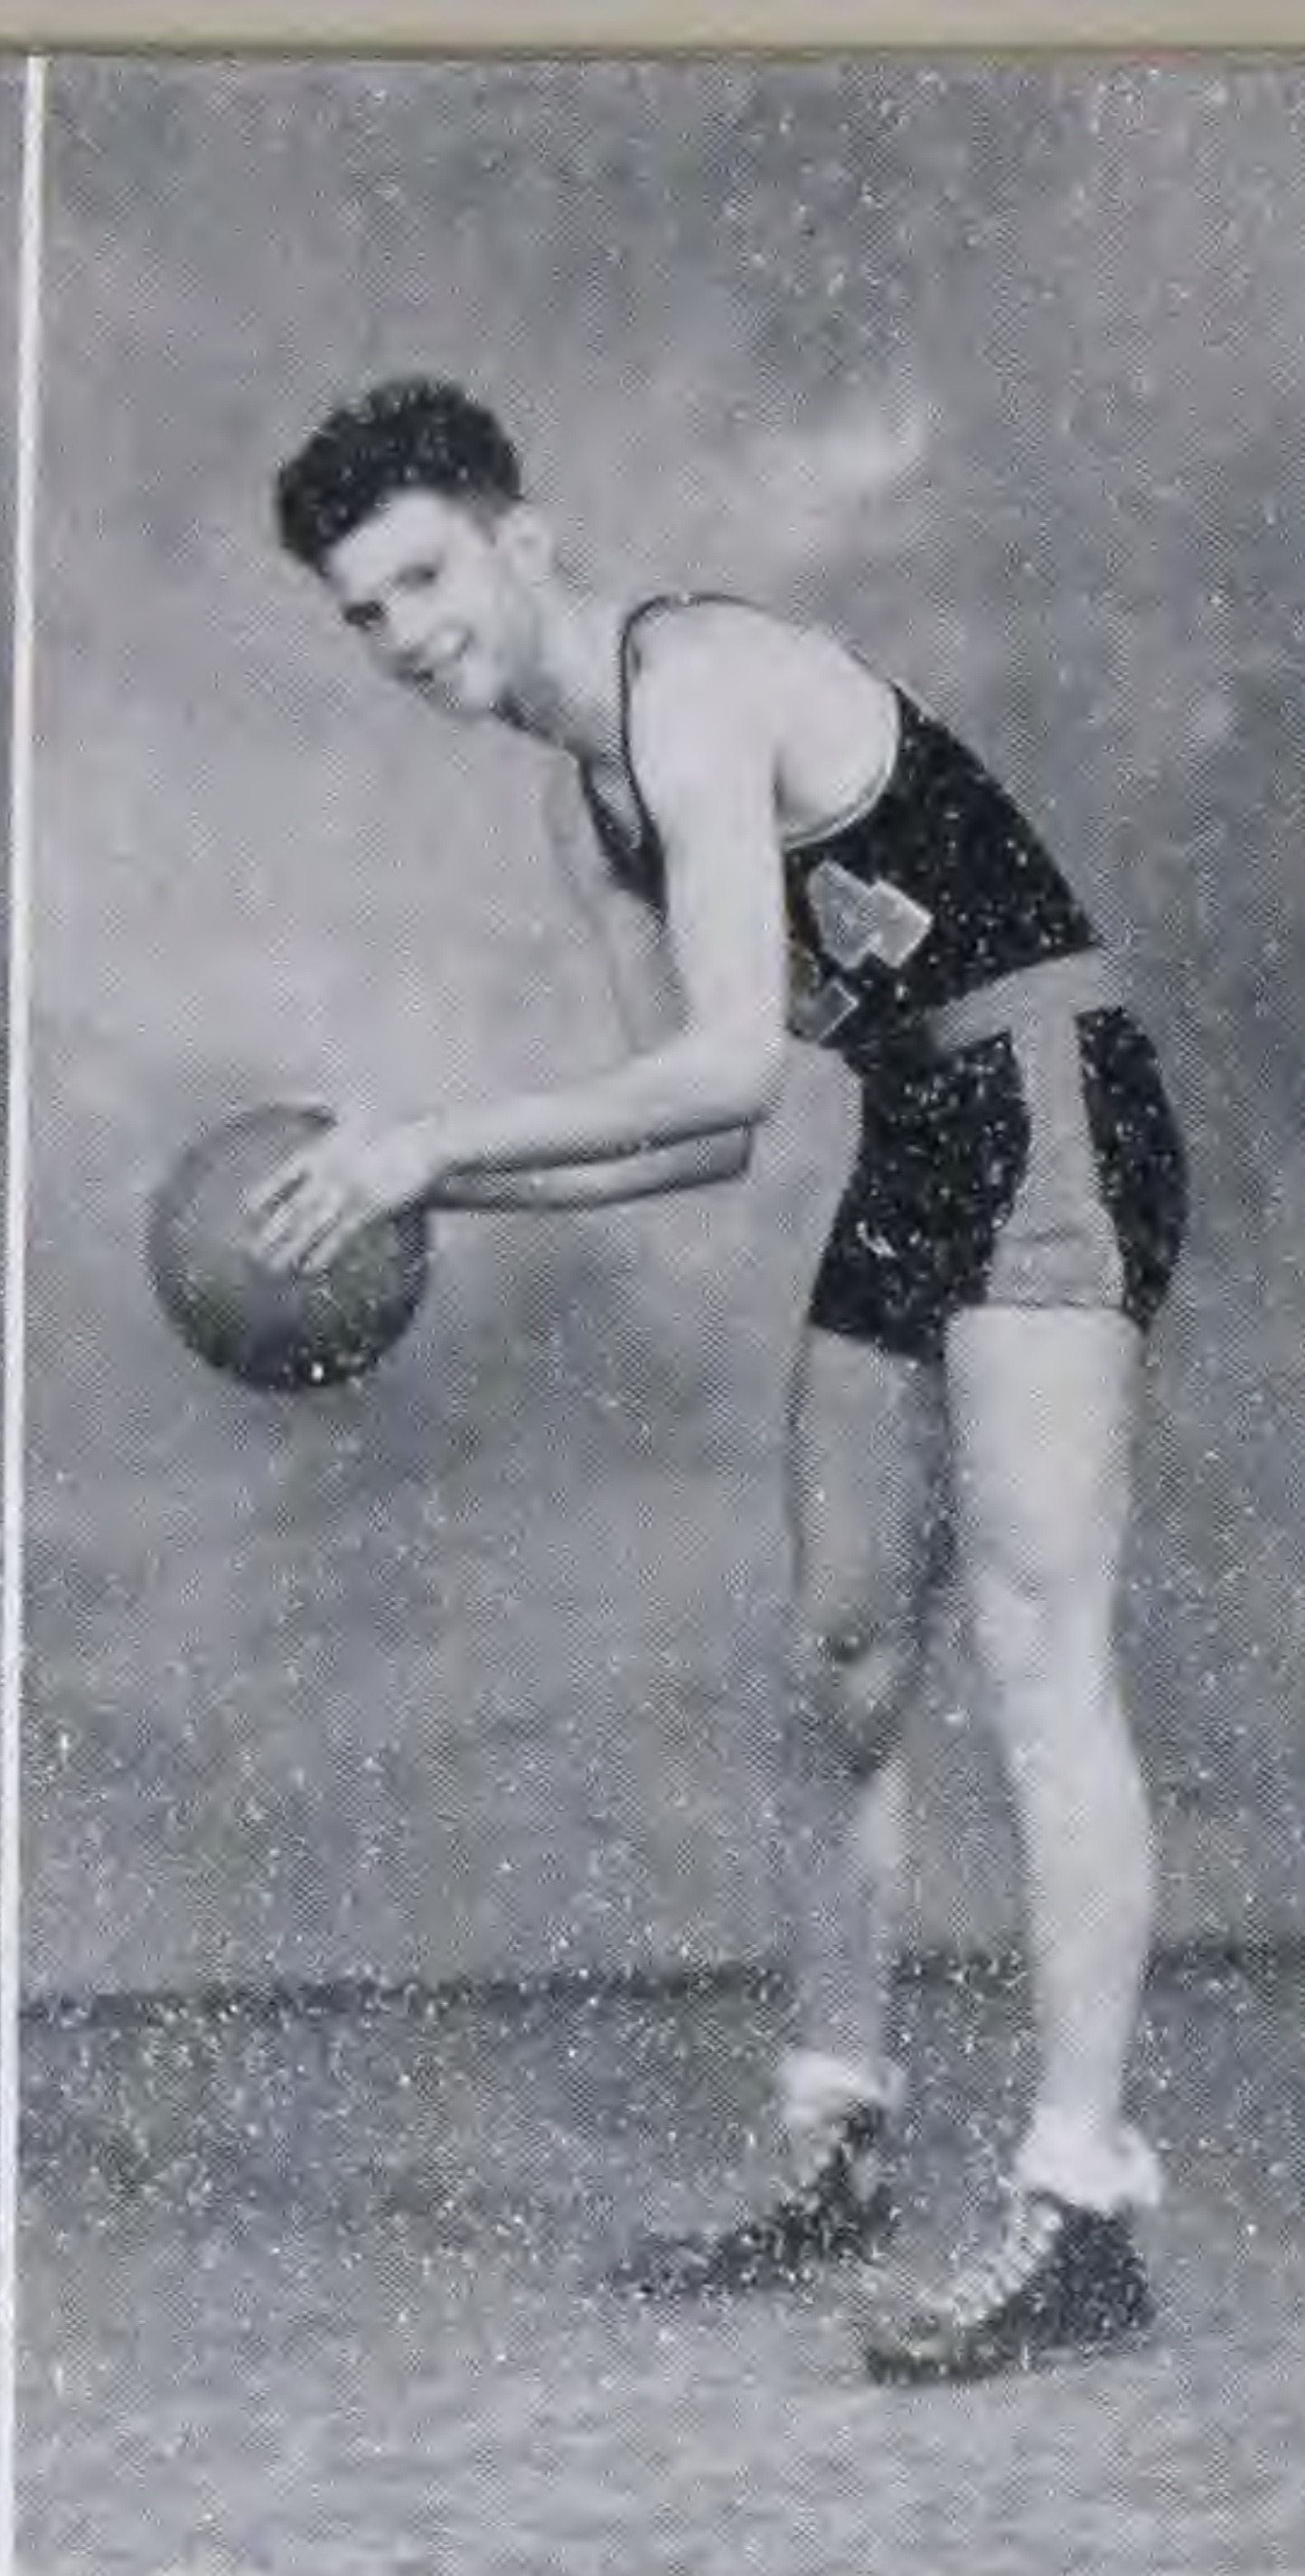

The Tigers completed their schedule by winning twenty-two of the twenty-nine games played, thereby annexing the conference championship. They again proved their mettle when they won the District Tournament at Green River by defeating the strong Superior quintet 33 to 24 in the finals. Reese and Katana were named on the all-district team.

Our aggregation entered the state tournament with high confidence. In the opening round Rock Springs won from Buffalo 37 to 15 and went through the second round with a decisive 47 to 28 victory over Manderson. In the semi-finals the Tigers trounced the Cheyenne Indians 41 to 16 and proceeded to the finals, where they defeated the Laramie Plainsmen 25 to 19, bringing home the coveted title of State Champions. Katana, Reese, and Dickson were placed on the all-state team.

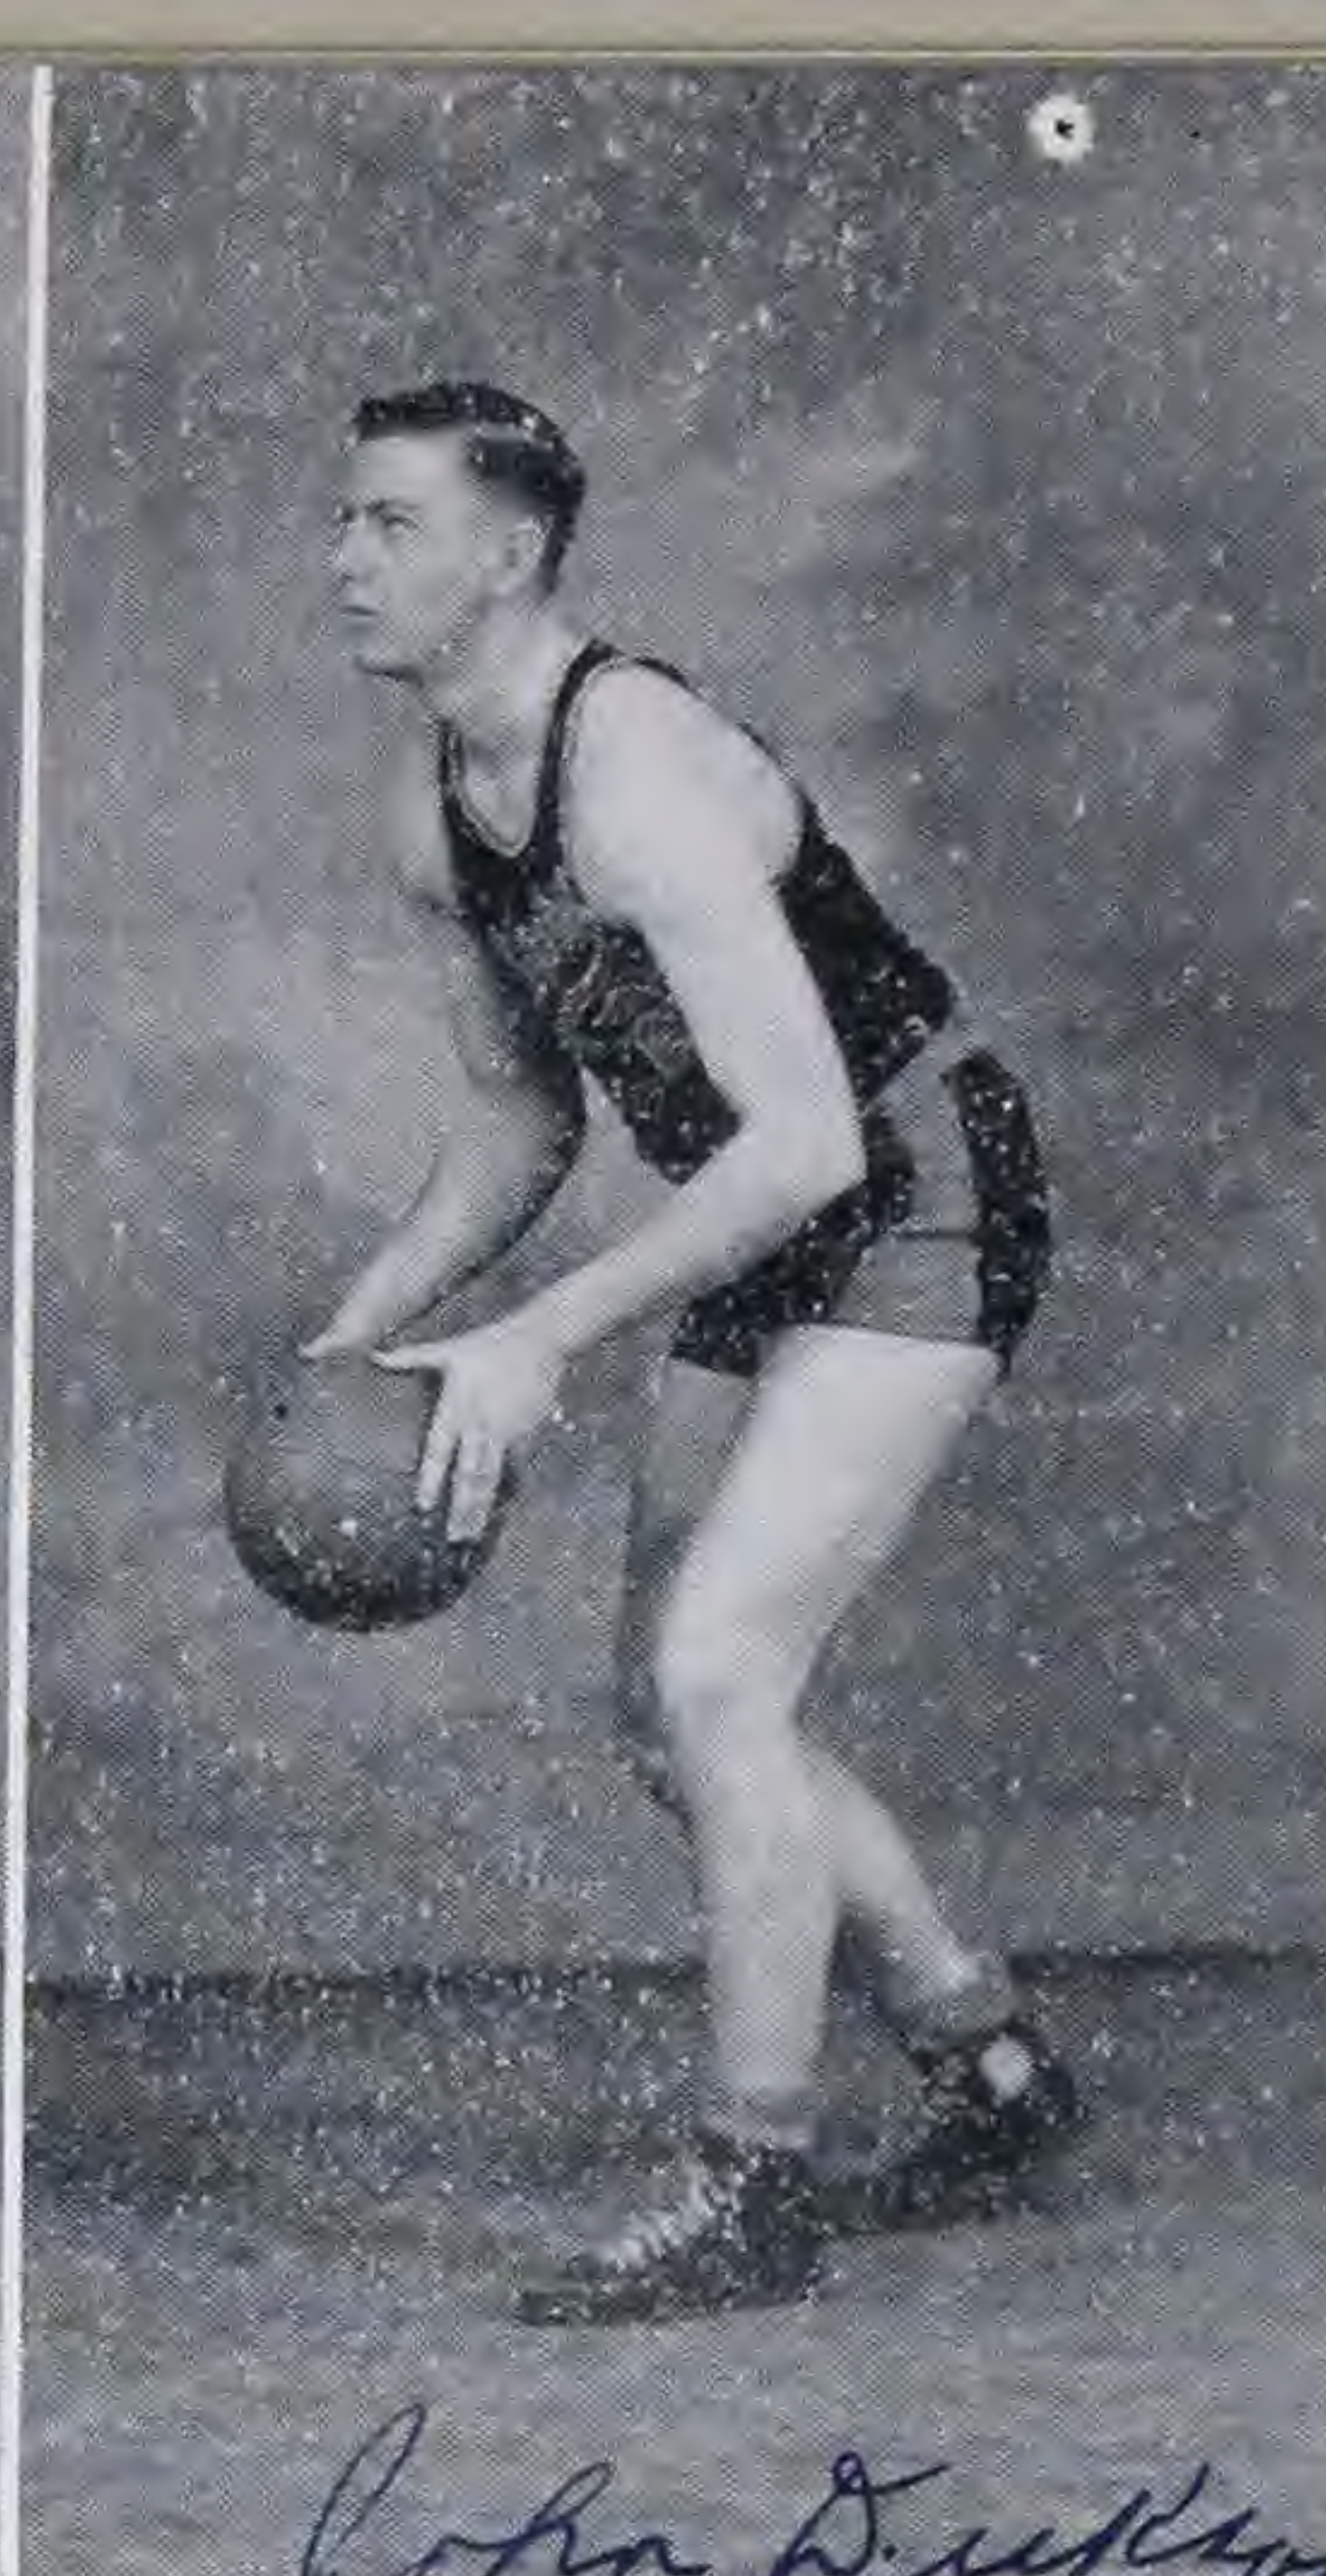

CHARLES GILPIN

Charles, playing his first year of steady ball, proved to be a great asset to the team.

TONY BEGOVICH

At the center position Tony was always reliable, playing hard and with determination.

JOHN DICKSON
up 1 c 181

John, playing his third year at regular forward, was the free throw artist and backboard specialist of the team.

TONY KATANA

After being out of the line-up for most of the season, Tony came back to be one of the best players in the state.

EDWARD THOMPSON

At the crucial moment when points were needed, Ed came through to turn the tide of victory.

RAY VENTA

Ray, earning his first letter, could be counted upon to do his best at all times.

LENO KAUMO

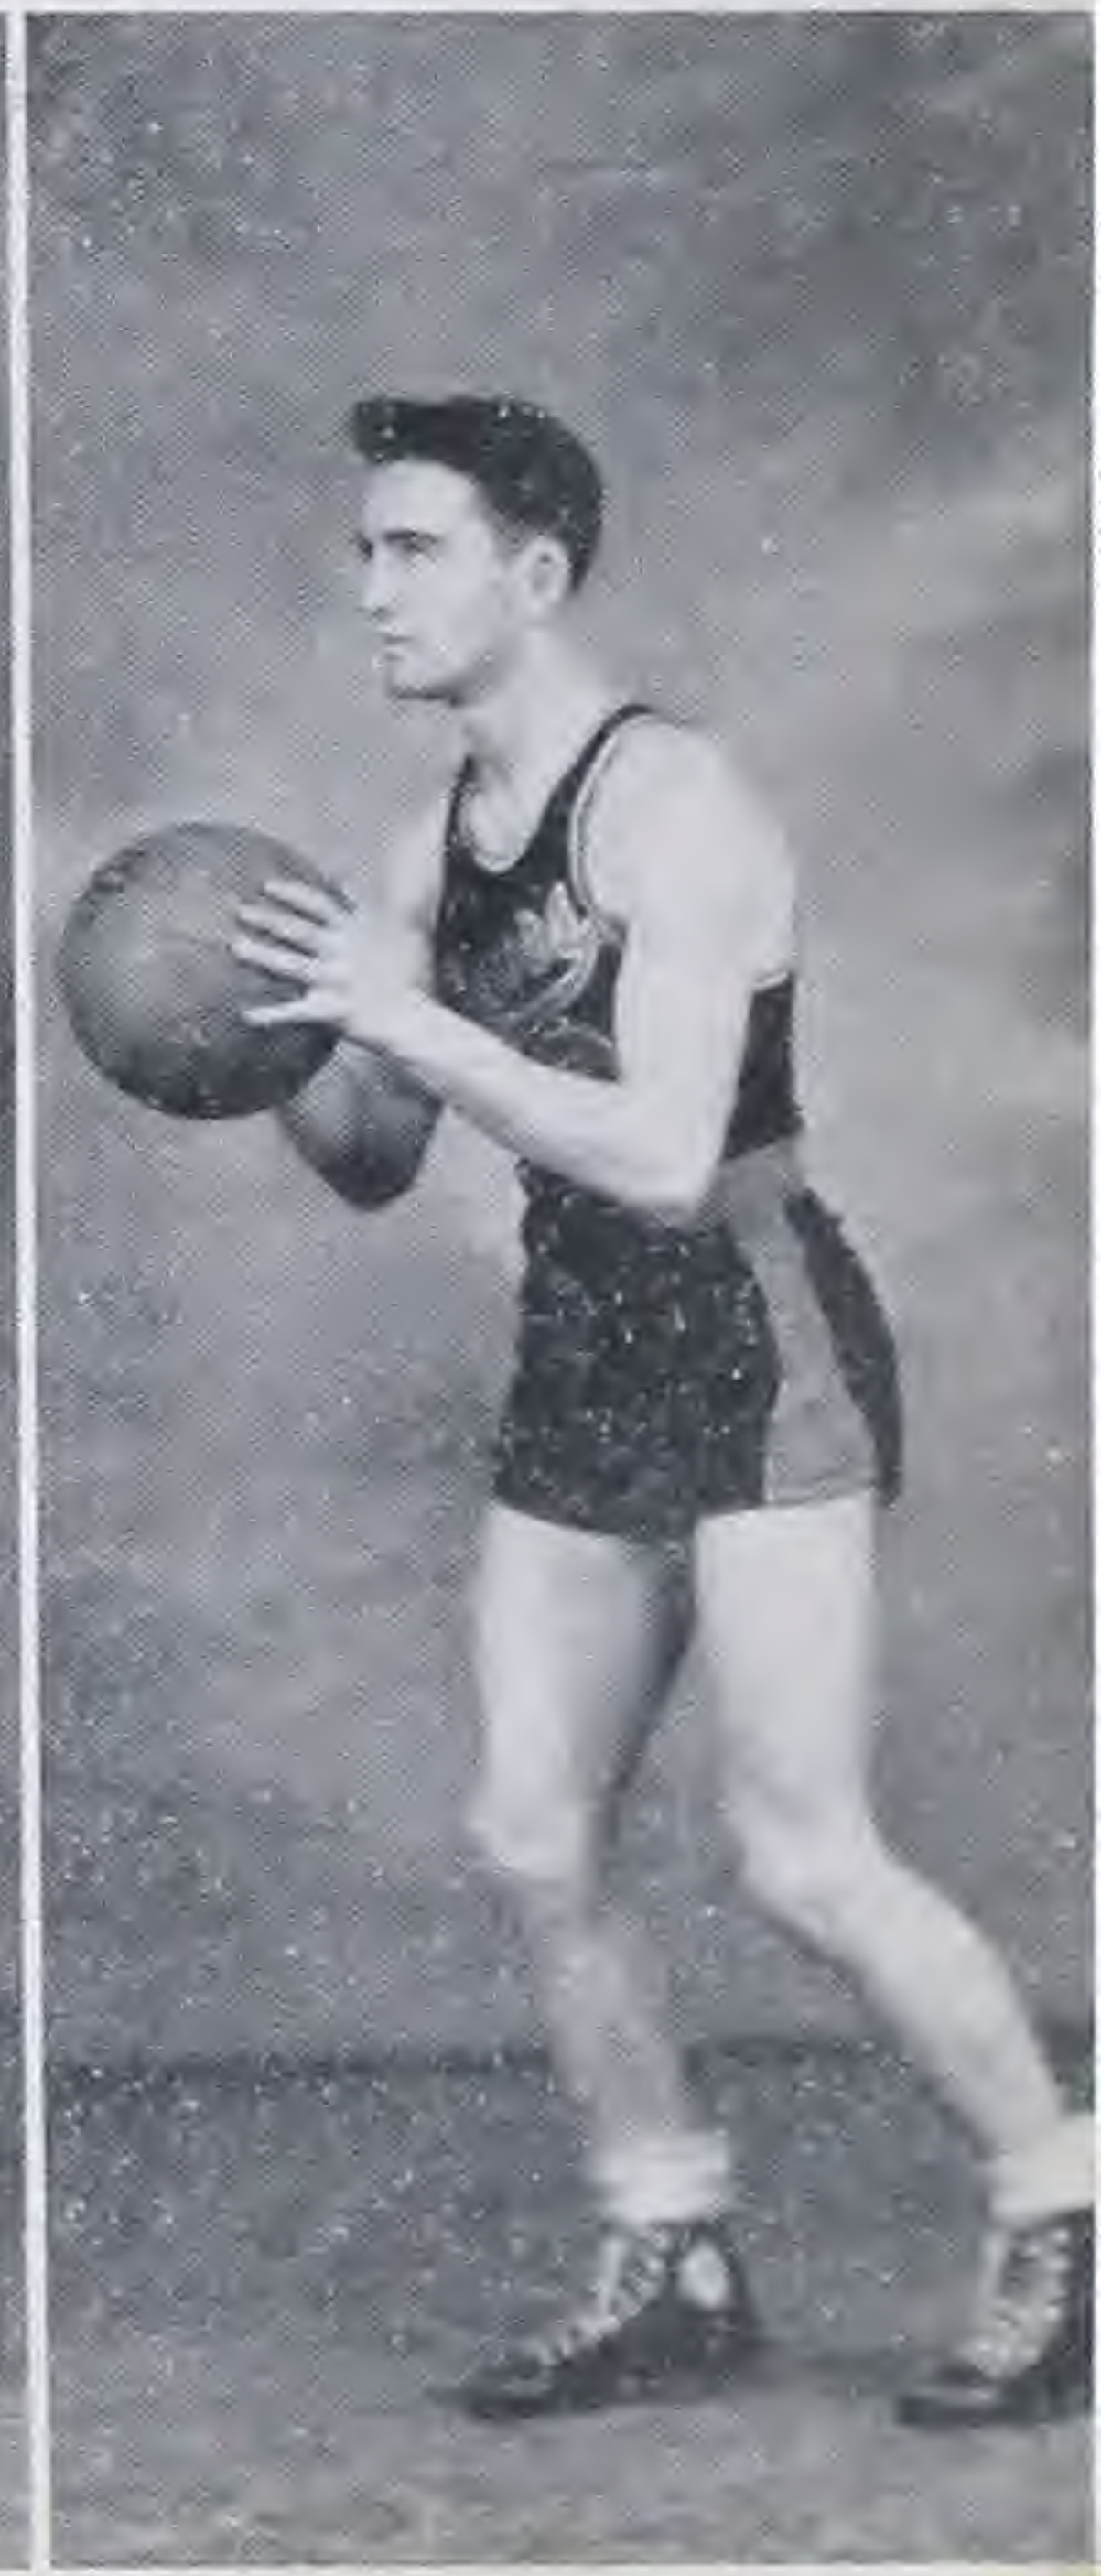

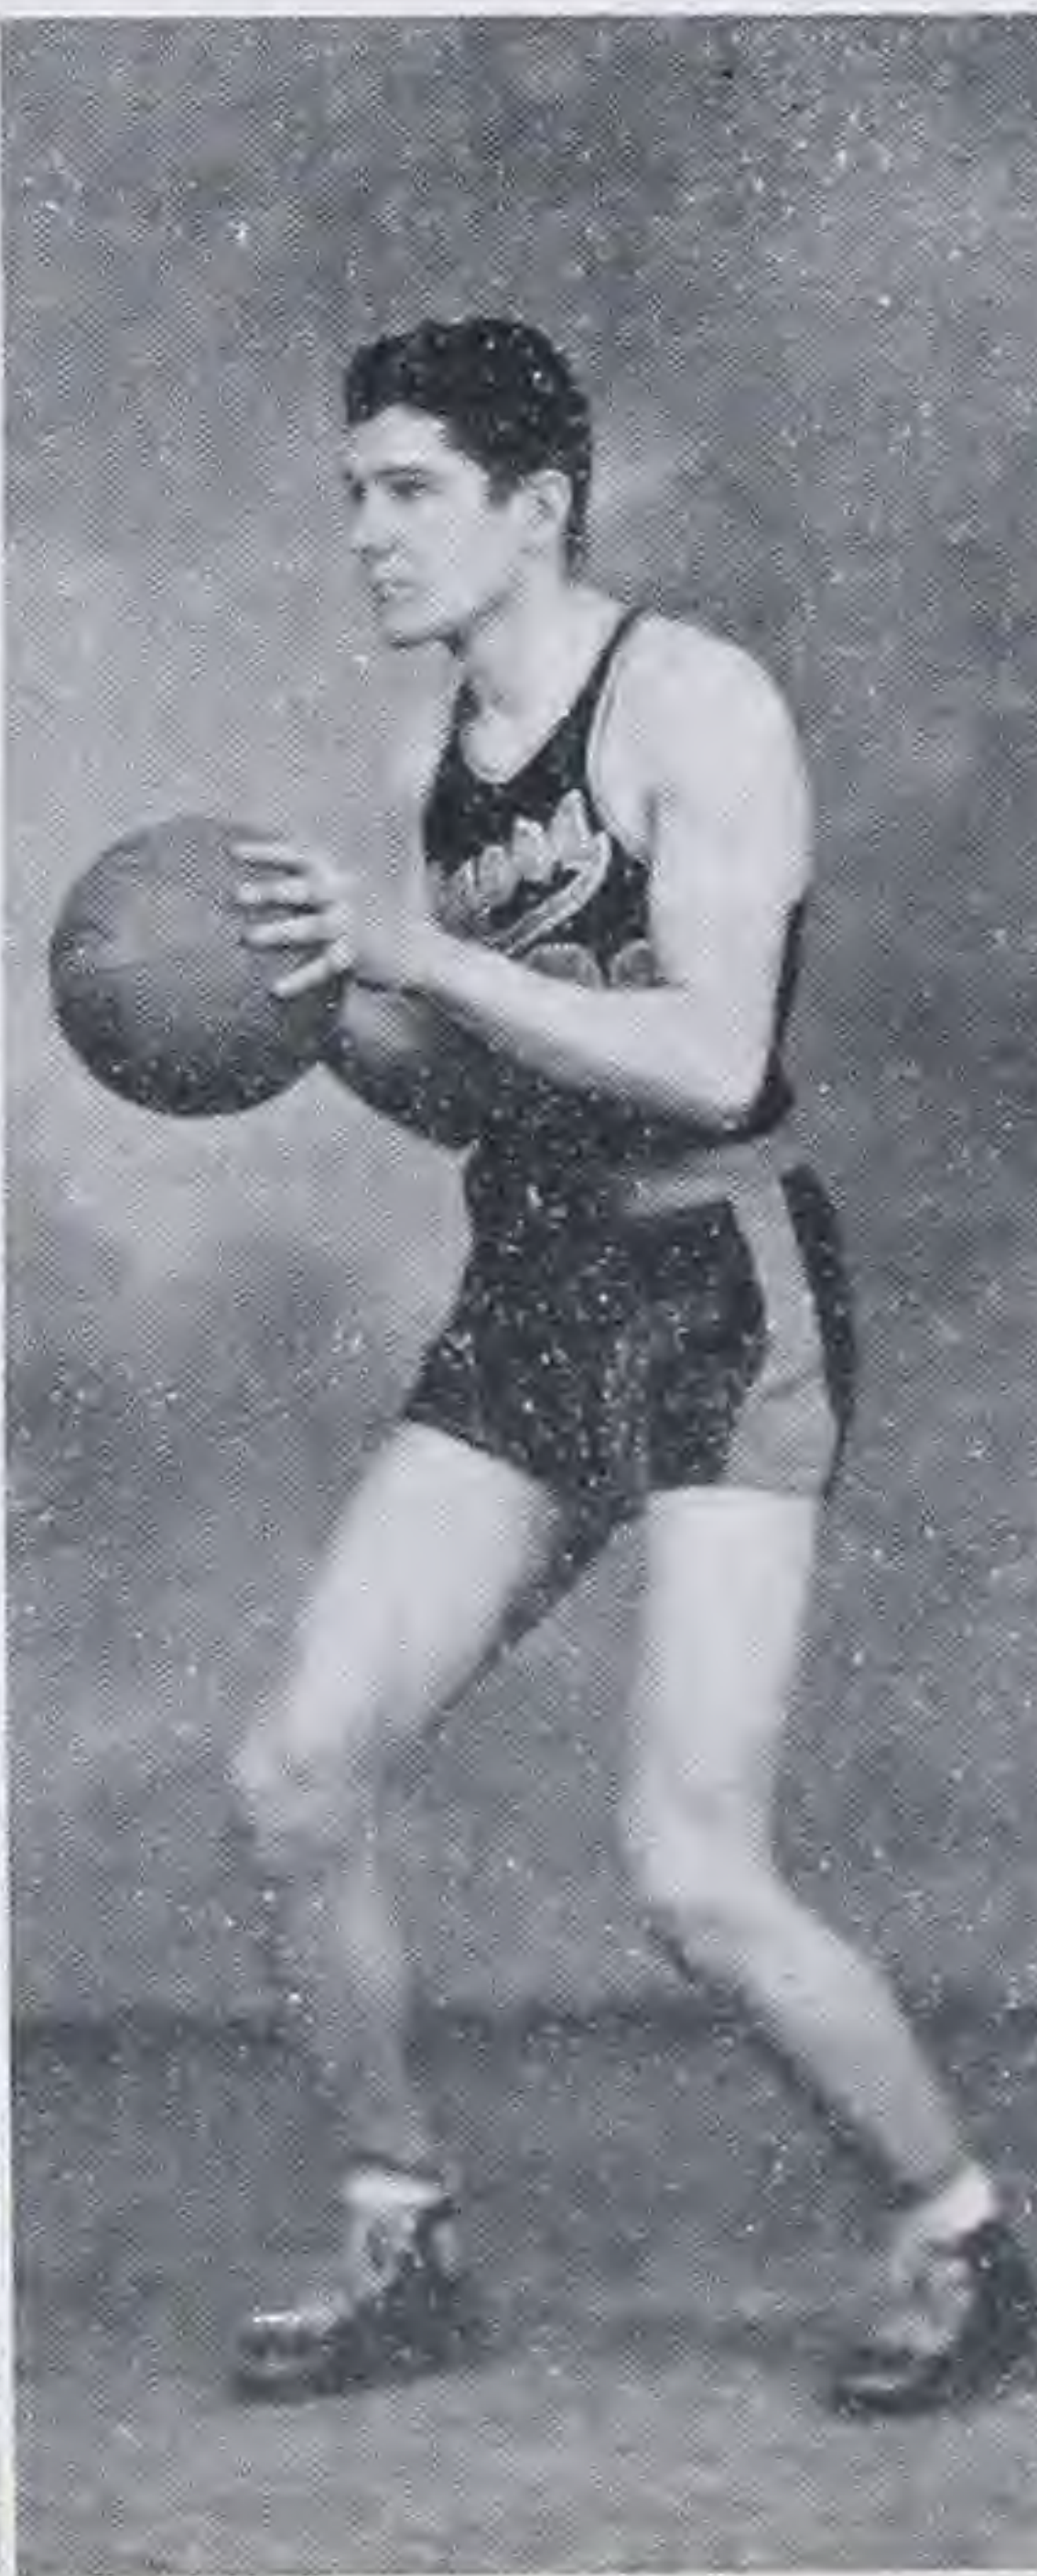

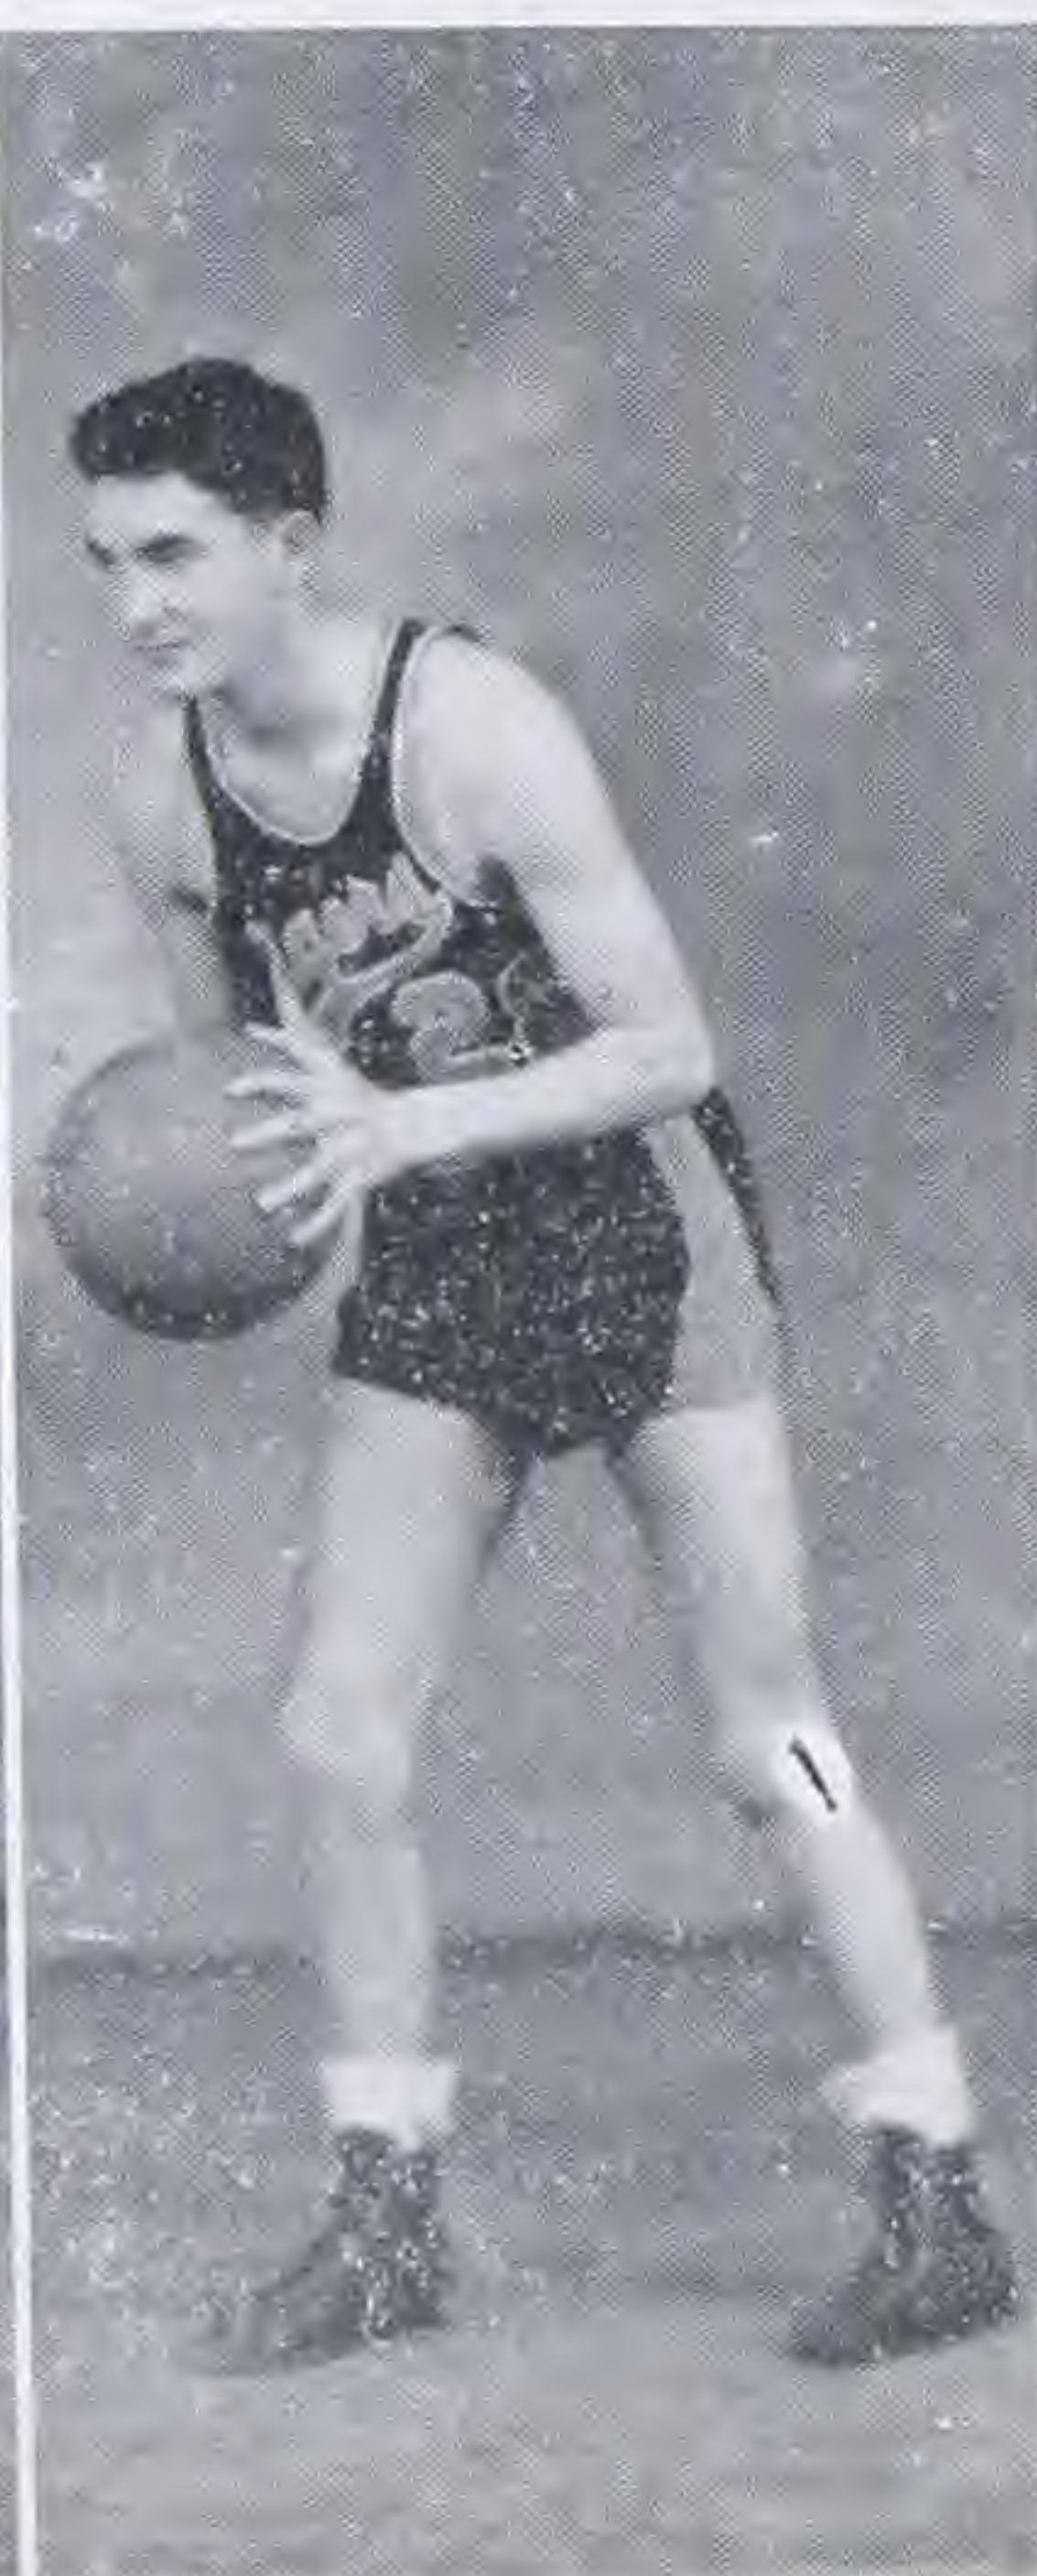

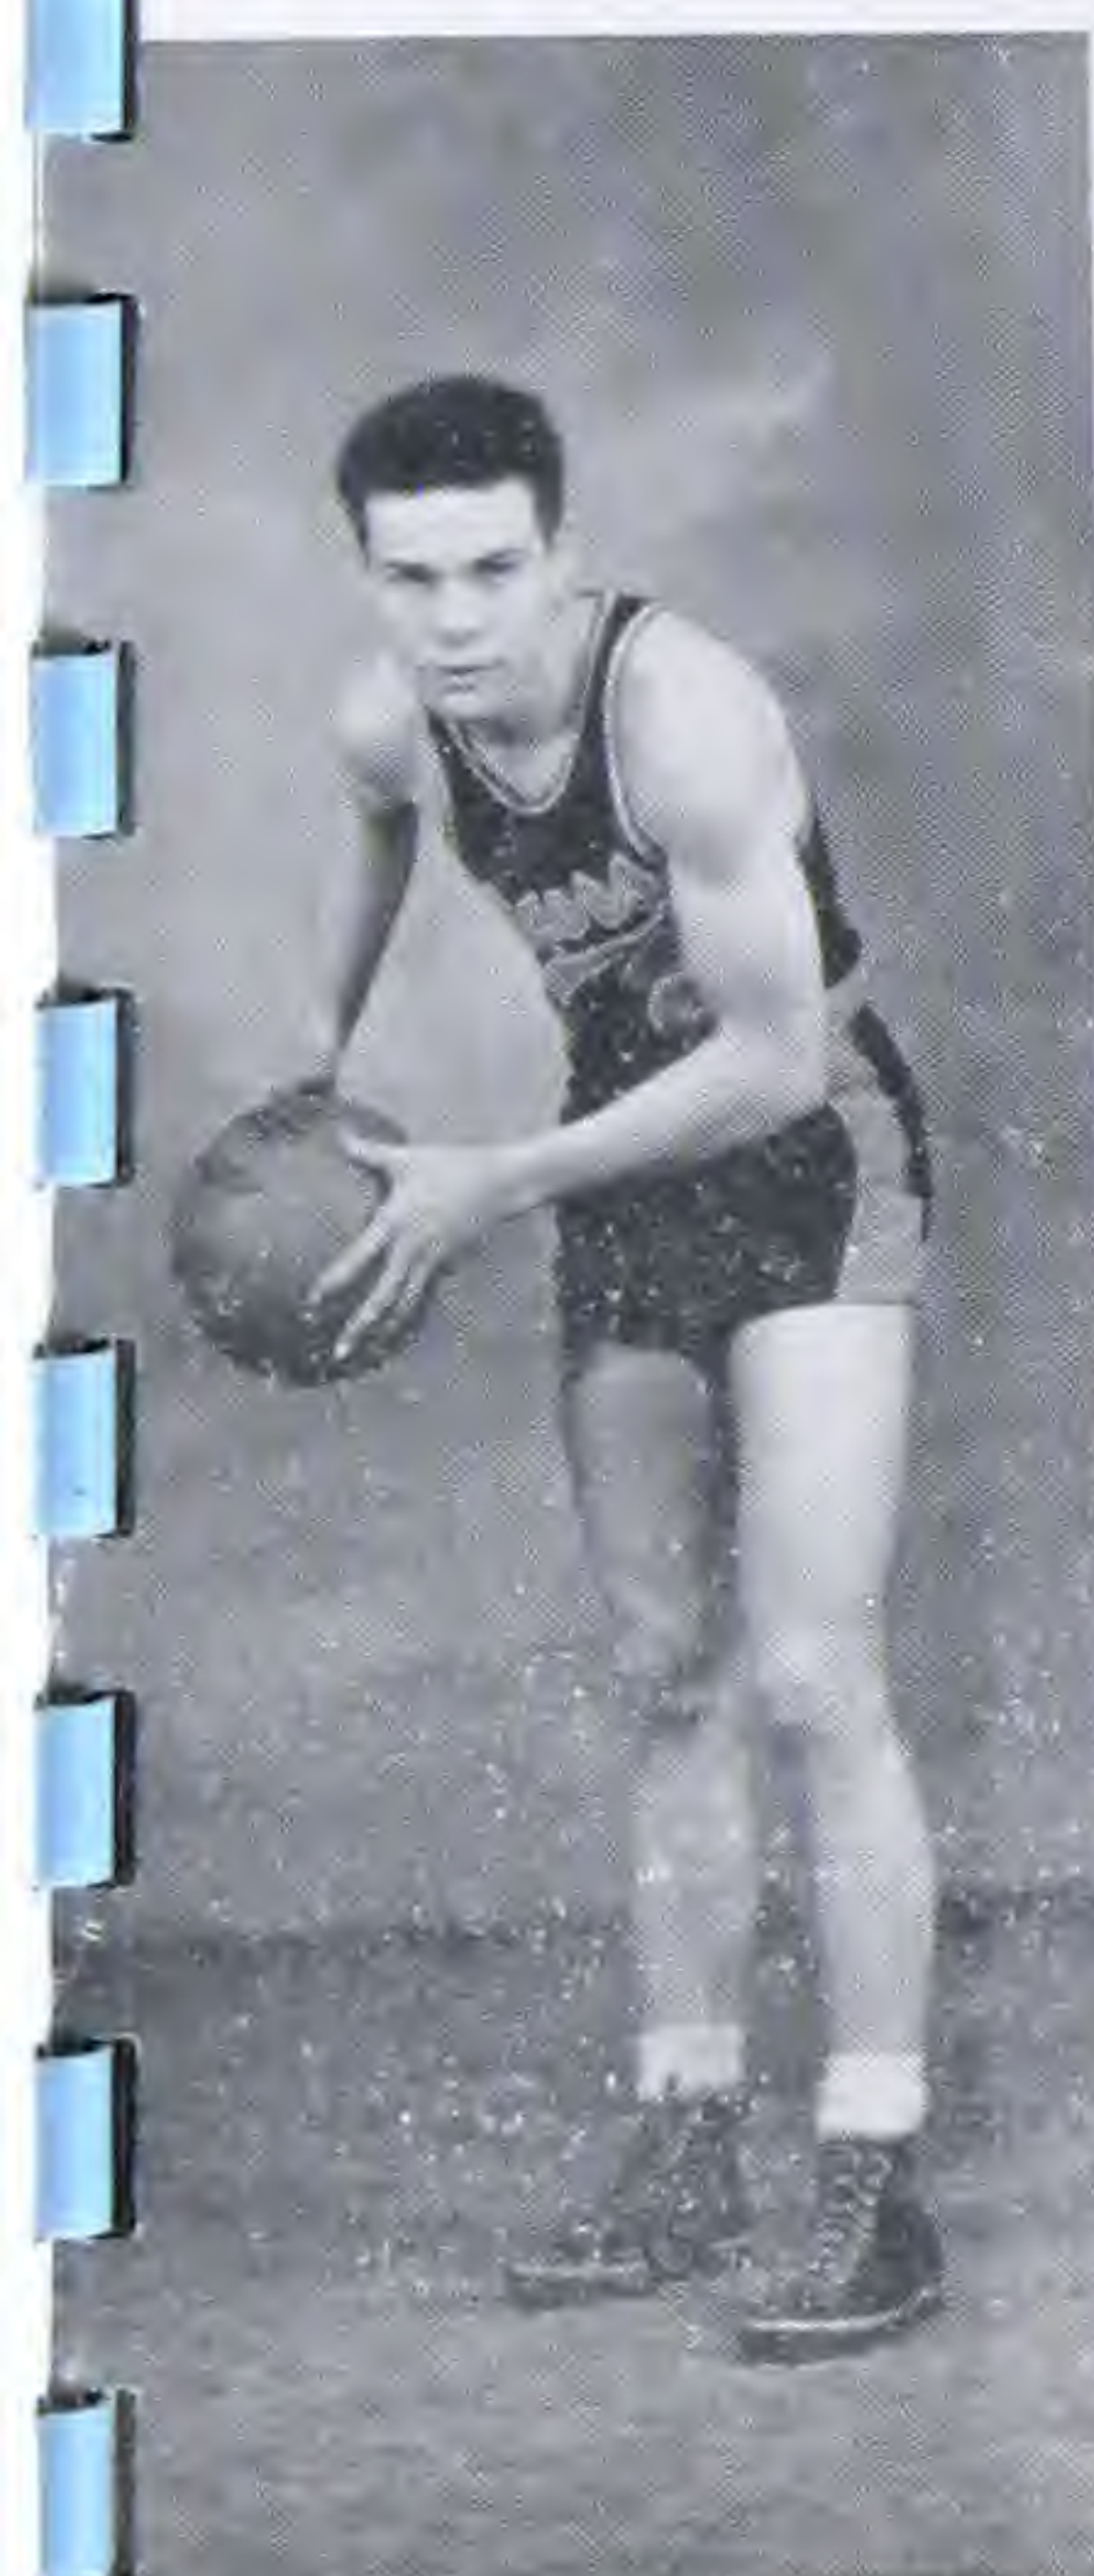

Always dependable, Leno added his share to the team's success.

JOHN DASOVICH

Johnny starred on the defense and also contributed his share of the points.

JIM REESE

Jim was the most versatile player on the team, a clever ball-handler, and the highest scorer.

Front row: McMillan and Amazich.
 Second row: Chipp, Connor, Crapo, Dasovich, Kaumo, Thompson.
 Third row: Taylor, Leonis, Dickson, Begovich, Lambert.

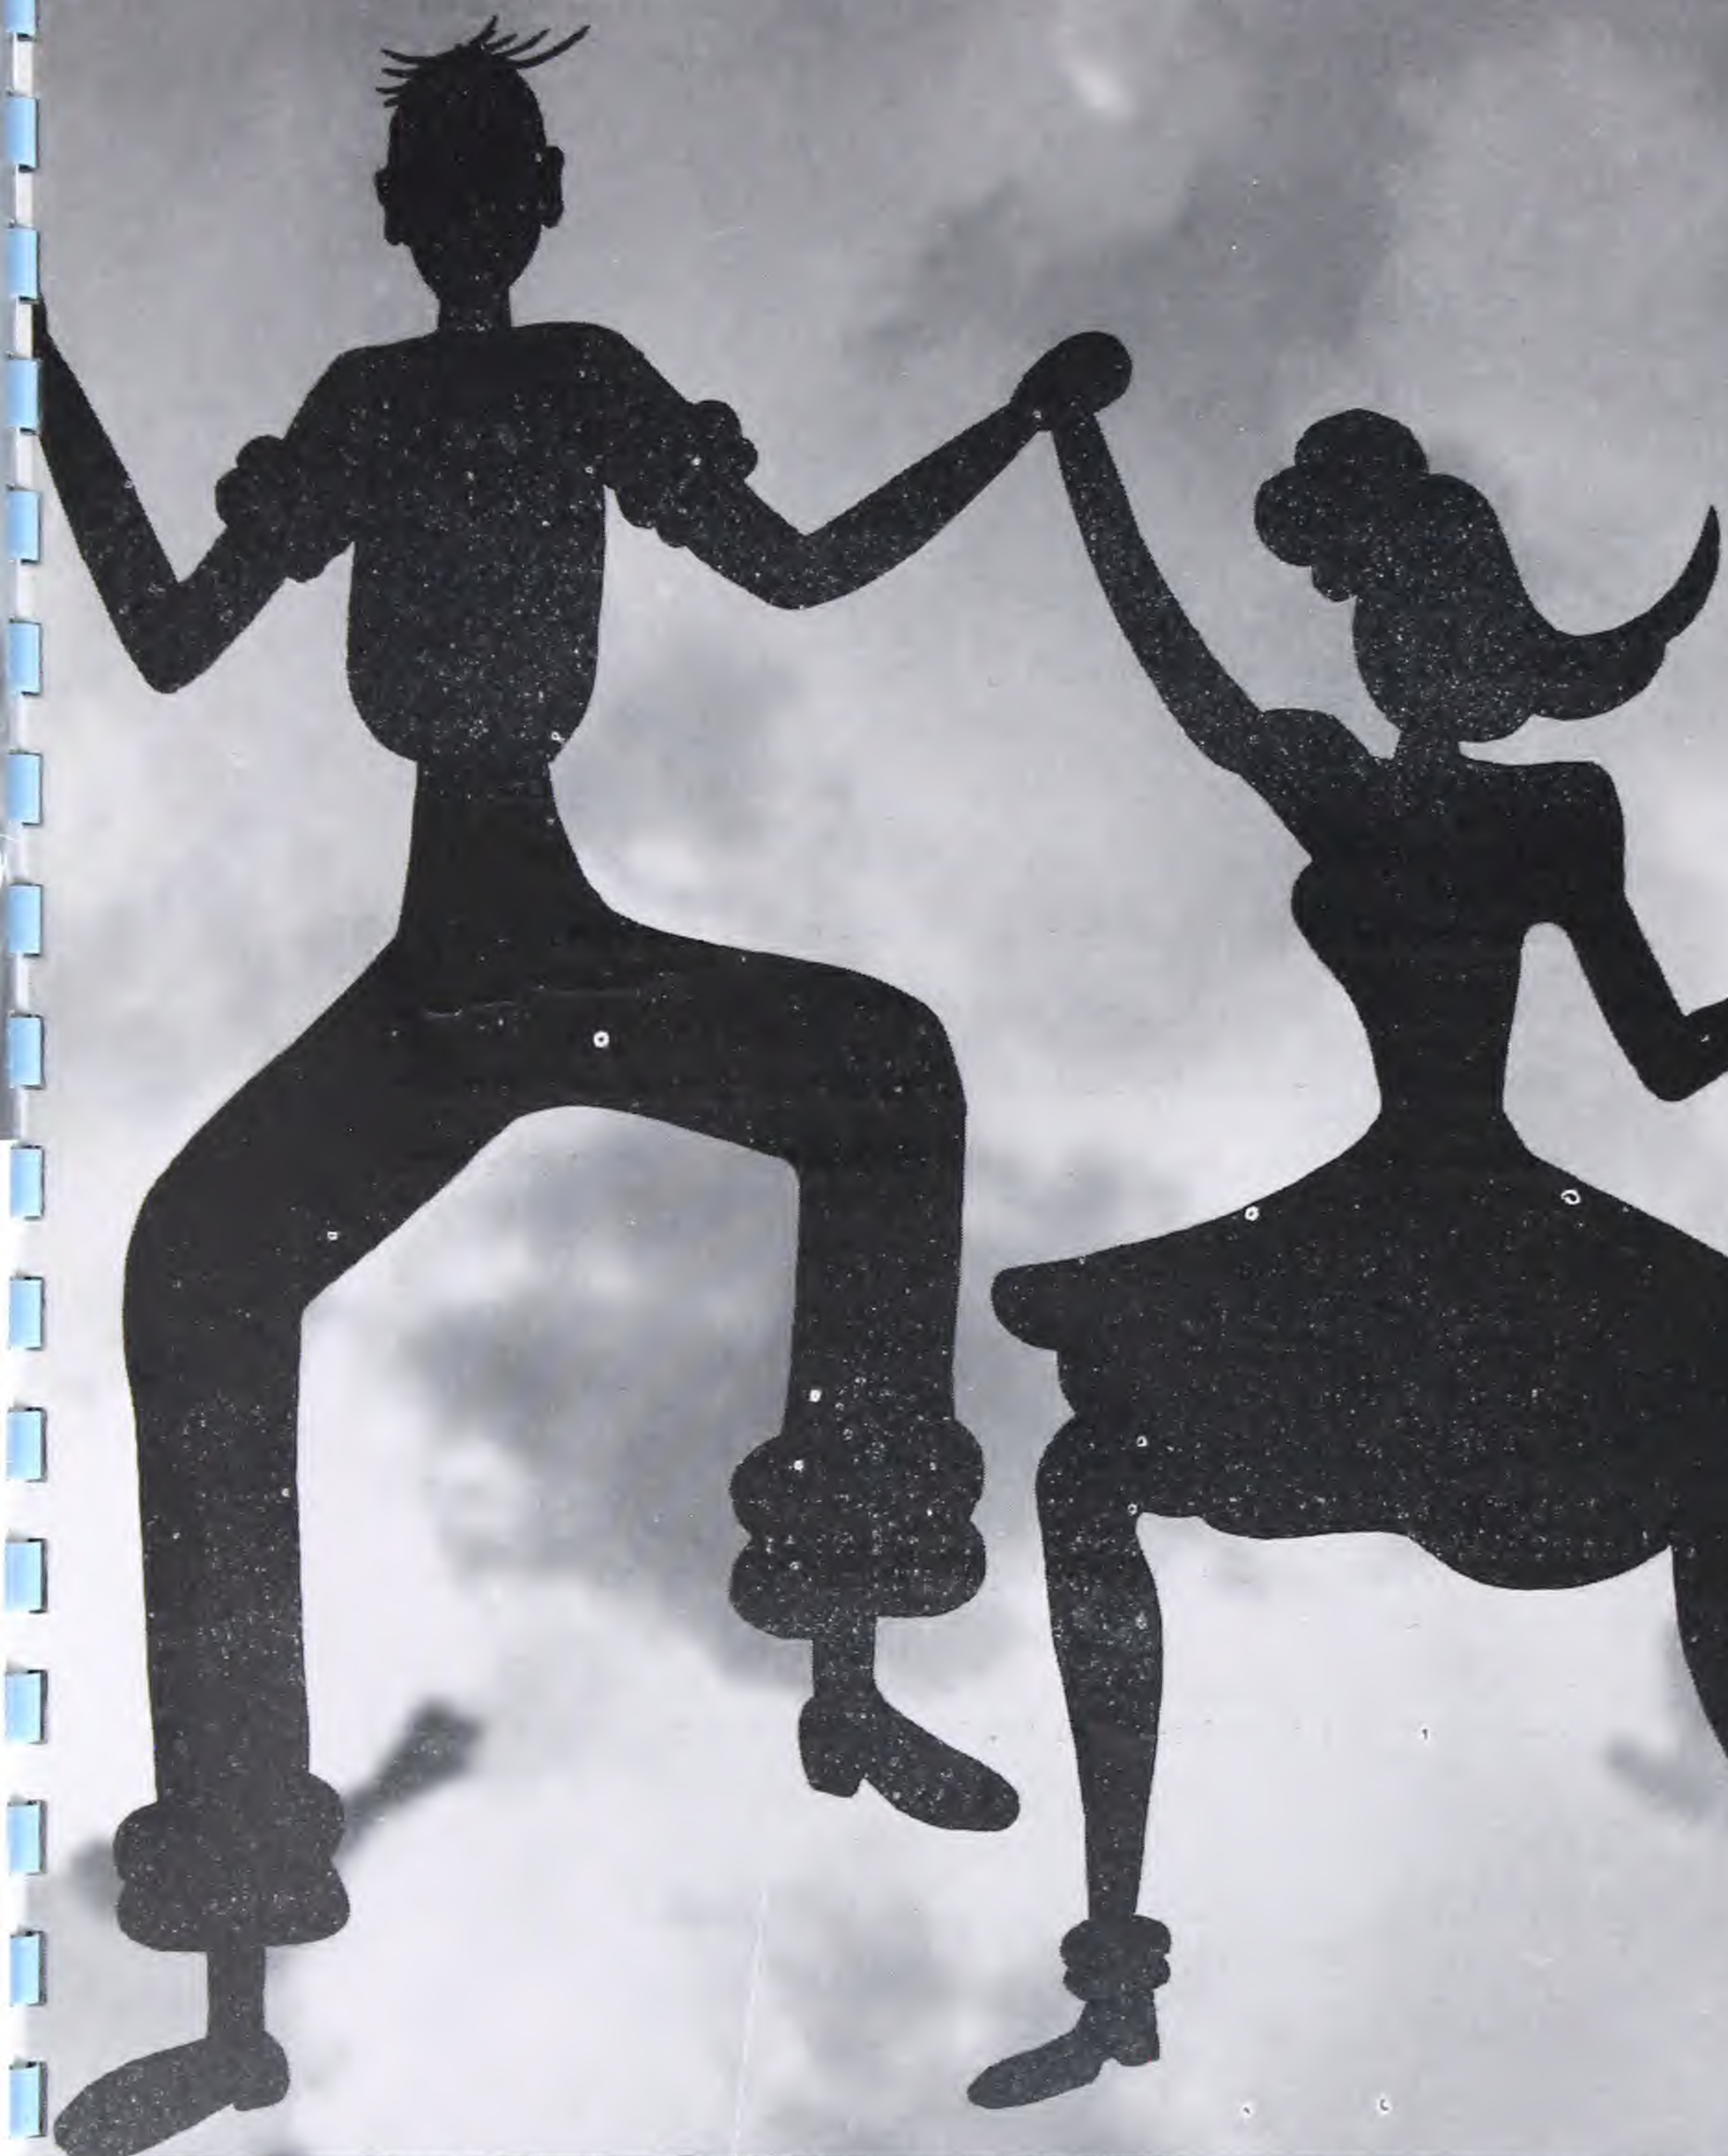

TRACK

The 1941 Tiger track team is anticipating an unusually successful season. Many of the star performers of last year's team, which won the district championship and placed second in the state, will again represent Rock Springs High School.

Edward Thompson, a senior, is one of the most promising lettermen, having placed high in all meets last year. Leno Kaumo and Alf Sims should turn in some good records as they have done in past years. In the pole vault, the Tigers have Don Chipp, who last year placed second in the state meet, having beaten the past state record. In the field events—such as shot put, discus, and javelin—there are such lettermen as Connor, Katana, and Begovich. These boys should win their share of points in this division. Dasovich, another letterman, stars in both the distance runs and the hurdles. Reese, Marshall, and Lambert are also expected to show up well.

With such an array of talent the Rock Springs High School Track Team should complete the athletic season with a highly creditable record.
